## Progress Notes

Questions about construction or the Master Plan can be emailed to [masterplan@fvdublin.org](mailto:masterplan@fvdublin.org)

Please note:  
Anticipated construction dates listed are weather permitting and subject to change.

## Welcome

Welcome to our first construction update newsletter! This newsletter will be posted throughout the construction process to keep residents and staff informed of changes and important dates. You will be able to see the updates via our website at [www.fvdublinexpansion.org](http://www.fvdublinexpansion.org) and The Village Channel (Channel 3.1). They will also be posted on bulletin boards throughout the campus. Please also continue to attend all resident meetings for additional updates.

### Scheduled Dates:

- Nov. 3rd—Tree removal from the Health Center drive, around the south side of the campus and around the front to the North circle. Starting site utilities work: electric, storm, sewer, and water.
- Nov. 16th—Garage construction scheduled to begin.
- Nov. 30th—Pass-thru road from main driveway to North circle construction will begin.

During the month of November, there will be short-term closure of selected entrances and parking spots. Those who park on the perimeter of the B Lot will need to find alternate parking in front or near the A circle. Associates will need to park at the North circle.
